

Sustainability Matters, *Cutting Carbon, Enhancing Health*

UCLH 'Grow Your Own' Gardening Club

Friday 17th June 2011 12 midday to 2pm

You are invited to the UCLH Gardening Club Launch. New gardening club members will get the chance to do some real gardening and there will be a number of external stakeholders invited to the event to include Rosie Boycott, Chair of London Food Board, The NHS Sustainable Development Unit, NHS Forests, London Borough of Camden, Sustain, 10:10, The British Trust for Conservation Volunteers, EForests and many more.

A tasty low carbon, locally sourced lunch will be provided and there will be games and exhibitions.

Maple House Inner Courtyard
