#### Sobell House Hospice Charity

The purpose of Sobell House Hospice Charity is to support the Sir Michael Sobell House Hospice in providing palliative and end of life care to the residents of Oxfordshire.

#### Local Volunteering

Volunteering in local communities where we work remains a key feature of Carillion's sustainability and community engagement strategy. **Each employee is entitled to 6 paid days of volunteering activities each year on behalf of their local community.**

Kevin Bateman, Carillion Stores Supervisor at the John Radcliffe, is a regular volunteer for Sobell House Hospice. In June 2014, Kevin helped to co-ordinate a 2 day refurbishment project for the Hospice. The Carillion team working on site consisted of Kevin Bateman, Lee Gillett and Wojciek Biedron. After completion Kelly Houghton from Sobell House said 'I would be really grateful if you could pass on our thanks to the team for painting the area outside of our music & art therapy rooms. Everyone did a fantastic job and the area looks so much better now!'
